

Cable Jacket Stripper

MK04 Cable Jacket Stripper

- ◆ Cable stripper for outer jackets & insulation on large diameter cables
- ◆ Heavy duty construction for industrial environments
- ◆ “Tri-Action Strip” capability:
- ◆ Rotary cut to a longitudinal cut along the cable length for end stripping
- ◆ Spiral cut for end stripping
- ◆ Spiral cut for mid-span stripping
- ◆ Spiral cutting feature provides easier removal of harder jackets and on larger cables
- ◆ Adjustable blade up to 5 mm (0.20 inches) depth
- ◆ Blade depth setting can be locked to assure consistent repetitive operations
- ◆ Roller support of cable for smooth stripping action
