

# Conductor Brushes

## Copper & Aluminium

**BLUE FOR ALUMINIUM**

**ORANGE FOR COPPER**

### Copper and Aluminium Scratch Brushes

#### APPLICATION

Utilux scratch brushes aid in the removal of aluminium and copper oxide, dirt and grease which make them essential to ensure a sound electrical connection. Suitable for up to 25.4mm diameter conductors.

#### FEATURES

Moulded grips so it wont slip  
Colour-coded by conductor to avoid metal particle transference.

Catalogue Ref	Colour	Conductor
SB-CU	Orange	Copper
SB-AL	Blue	Aluminium

### Utilux Electrical Jointing Compound

#### APPLICATION

Recommended for sue on all alumium bolted and compression connections. The zinc particles penetrate oxide films that form on the aluminium surface. The compound seals out air and moisture ingress to prevent corrosion and reformation of oxide films.

Colour-coded by conductor to avoid metal particle transference.

High melt point grease 188°C

Catalogue Ref	Description
H2397/1	Conductive compound with zinc particles
