

Multi Digit Pro Electronic Angle

Part # MultiDigitPro

MultiDigitPro - Multi Digit Pro Electronic Angle

Multi –digit pro combines an Electronic angle measure, slope ,measurer and laser spirit level into one unit. Displays angle and inclination simultaneously, angle measurement in degrees, automatic digit inversion for overhead measurements

Technical Data

Working range angle	0°~180°
Resolution	0.1°
Angle precision	± 0.1°
Working range Inclination	0°-90° or 0% - 100%
Resolution	0.1° or 0.1%
Slope precision	0.2°
Range of laser	20 m
Laser precision	± 0.5 mm / 1 m
Laser wavelength	650 nm
Laser class	2
Power supply / Operating time	3 x 1.2 V AA / 48 h
Length (unfolded)	530 mm (1.000 mm)
Weight	1.3 kg incl. Batteries
