

Metrinch Socket Set MET-2450

METRINCH

Metrinch® sockets are designed to drive the hexagon flats, not the corners. This enables one socket to drive metric/imperial A/F, Whitworth and BS/BSF hex. head nuts and bolts.

- ◆ Fits the majority of metric and imperial hexagon sizes
- ◆ Protects new hexagons and turns old, rounded ones efficiently
- ◆ Equal to a standard 42 piece traditional set
- ◆ Fast selection fewer sockets needed

MET-2251	1/2" Socket impact deep 11mm & 7/16"
MET-2252	1/2" Socket impact deep 12 & 15/32"
MET-2253	1/2" Socket impact deep 13mm & 1/2"
MET-2254	1/2" Socket impact deep 14mm & 9/16"
MET-2255	1/2" Socket impact deep 15 & 19/32"
MET-2256	1/2" Socket impact deep 16mm & 5/8"
MET-2257	1/2" Socket impact deep 17mm & 11/16"
MET-2258	1/2" Socket impact deep 18mm & 23/32"
MET-2259	1/2" Socket impact deep 19mm & 3/4"
MET-2260	1/2" Socket impact deep 20mm & 25/32"
MET-2261	1/2" Socket impact deep 21mm & 13/16"
MET-2262	1/2" Socket impact deep 22mm & 7/8"
MET-2263	1/2" Socket impact deep 23mm & 29/32"
MET-2264	1/2" Socket impact deep 24mm & 15/16"
MET-2265	1/2" Socket impact deep 25mm & 1"
