SOCKET LOCKER

Our one of a kind design makes it easy to remove and replace sockets while keeping them in place.

- ◆ Stop fatigue and frustration, a key factor for on the job accidents.
- ◆ Makes it easy to always have the right tools with you.
- ◆ Durable, be confident when bringing the Socket Locker with you to the next job.
- ◆ Designed and manufactured in the USA.
- ◆ Holds 3/8, 7/16, 1/2, 9/16, 5/8, 11/16, 3/4, 13/16, 7/8, 15/16, 1, 1-1/16, 1-1/8, 1-1/4
- ◆ Contains removable magnet for cleaning
- ◆ Has ability to mount to safety hook and use stainless steel clip for hanging impact driver
- ◆ Everything but sockets package includes socket locker base, pair of safety hooks, stainless steel bracket & stainless steel mounting hardware. (does not include sockets).

BUCKET KNUCKLE

Bucket Knuckles are a tool holding and organization bracket designed to suspend and separate tools and rigging inside an aerial device like a bucket truck or man basket. Made out of durable UHMW plastic, this device is extremely wear resistant and offers superior strength. It measures 19.75 inches long x 3 inches tall x 2.5 inches wide x .5 inches thick. Bucket Knuckles hang from two standard bucket hooks and are made to hang inside the bucket beside the tool board or on the side.

- ◆ Bucket knuckle and hook combo comes with 2x 3" bucket hooks.
